4. SUMMARY OF AUDIT RESULTS

Lead Auditor’s Summary and Recommendation for Certification

The audit team led a procedure that put together review focussing on viewpoints/dangers and targets required by the standard(s). The review techniques used were interviews, perceptions, inspecting of exercises and survey of documentation and records. The structure of the audit was in accordance with the audit plan included in to this summary report.

The audit team reviewed that the association has built up and kept up its administration framework in accordance with the prerequisites of the standard(s) and showed the capacity of the framework to accomplish necessities for items as well as administrations inside the extension and the association's strategy and targets. Subsequently, the audit team suggests that, in view of the consequences of this review and the framework's shown condition of improvement and development that this administration framework accreditation to be:
