LEAD AUDITOR TRAINING

Integrated Management System

Exemplar Global Certified

Course Overview

The Lead Auditor Training for an Integrated Management System (IMS) covering ISO 9001:2015 (Quality Management Systems), ISO 14001:2015 (Environmental Management Systems), and ISO 45001:2018 (Occupational Health and Safety Management Systems) is a comprehensive program designed to equip professionals with the necessary skills and knowledge to effectively audit these management systems.

Objectives

- equip auditors with the necessary knowledge and skills to assess organizations against these three international standards simultaneously.
- develop the auditing skills of participants, enabling them to conduct thorough and effective audits across multiple management systems.
- understand the requirements of ISO 9001, ISO 14001, and ISO 45001 in depth
- enhancing organizational performance
- obtaining Lead Auditor Training from a provider endorsed by Exemplar Global adds credibility to the certification process

For Who?

- 1st, 2nd and 3rd party auditors
- Quality Professionals
- Environmental Management Professionals
- Health and Safety Practitioners
- Auditors and Compliance Officers
- Management Representatives
- Integrated Management Systems internal and external auditors
- Consultants and Advisors
- Individuals Pursuing Career Advancement
