MS 2530:2022
**MALAYSIAN SUSTAINABLE
PALM OIL (MSPO)**
Internal Auditing Training

The MSPO Internal Auditing Training course is designed to provide a comprehensive understanding of the principles and practices of internal auditing, as well as the specific requirements focusing on auditing in conformance with MS 2530: 2022. The course covers the key aspects of internal auditing, including risk assessment, audit planning, audit execution, and audit reporting. It is important to note that an Internal Audit is crucial in identifying the standard requirements of MS 2530:2022, to highlight areas for improvement and implement any necessary corrective action/s.
