4. SUMMARY OF AUDIT RESULTS

4.1 Lead Auditor's Summary and Recommendation for Certification

This on-site assessment was conducted from the **04th and 05th March 2024**. The audit program is included on the Audit Agenda. The approach to the audit was to treat the KPF Plantation Sdn Bhd (Ladang Aring and Galas) as an MSPO Certification Unit. A range of environmental and social factors was covered. This includes consideration of photography, palm age, proximity to areas with HBV, declared conservation areas, and local communities.

During the audit process, the auditor conducted extensive interviews with the management, members of the employees' union, and committees taking place in a formal and informal environment and interviews of employees were conducted. During the site inspection, it is seen on the sample of all sites in excellent condition. In terms of best practices, estate management is in accordance with the SOPs set by the company and complies with the requirements of the MSPO. Also, there are no illegal workers in the site sample for this year. The audit team has confirmed that the permit documents and passports of the employees are still valid. The management was also found to constantly monitor established KPIs/objectives that significantly command the achievements of the company's corporate policy. Audit team members are satisfied with the documentation prepared by the estate management. It was easy to look at and verify during the audit time. However, estate management shall improve their work safely to the estate workers, especially on the FFB loader and tractor driver due to the audit team found several workers didn't use a safety helmet when they conduct their daily work in field.

During the audit, there were 3 major and 1 minor non-conformities raised. Since there are 3 major and 1 minor non-conformities, KPF Plantation Sdn Bhd (Ladang Aring and Galas) representatives have addressed a proper action plan to close the non-conformities to ensure their certification can be continued.

The audit team conducts the audit based on the sampling process of the available information process of the available information.

4.2 Claim - Verification and Use of Marks/Logo (MSPO, TCI or MPOCC Logo)

Based on the on-site audit process of Stage 2 (Re-Certificate) KPF Plantation Sdn Bhd (Ladang Aring and Galas), through visibility and interviews with management representative. It has been confirmed that the management does not use Marks/logos. The management has also been informed that it is not allowed to use the MSPO logo if it is not approved by the MPOCC.
