4. SUMMARY OF AUDIT RESULTS

4.1 Lead Auditor's Summary and Recommendation for Certification

This on-site assessment was conducted on the **07**th **of August 2024**. The audit program is included on the Audit Agenda. The approach to the audit was to treat the MELATI PURI SDN BHD as an MSPO Certification Unit. A range of environmental and social factors was covered. This includes consideration of photography, palm age, proximity to areas with HBV, declared conservation areas, and local communities.

During the audit process, the auditor conducted extensive interviews with the management, members of the employees' union, and committees taking place in a formal and informal environment and interviews of employees were conducted. During the site inspection, it is seen on the sample of all sites in excellent condition. In terms of best practices, estate management is in accordance with the SOPs set by the company and complies with the requirements of the MSPO. Also, there are no illegal workers in the site sample for this year. The audit team has confirmed that the permit documents and passports of the employees are still valid. The management was also found to constantly monitor established KPIs/objectives that significantly command the achievements of the company's corporate policy. Audit team members are satisfied with the documentation prepared by the estate management it was easy to look at and verify during the audit time,

During the audit, there was 1 minor non-conformity and 3 opportunities for improvement were raised. Since there is 1 minor non-conformity and 3 opportunities for improvement, MELATI PURI SDN BHD representatives have addressed a proper action plan to close the 1 minor non-conformity to ensure their certification can be continued.

The audit team conducts the audit based on the sampling process of the available information process of the available information.
