## **4.5 Previous Audit Verification**

Effectiveness of corrective action implementation for non-conformities (both major and minor findings) raised during previous audit is being evaluated in this year audit, in ensuring appropriate action has been successfully executed/carried out as per corrective action plan and evidences provided by the certified client in the previous year CAR Form.

Based on Lead Auditor's and audit team verification, it can be concluded that:

□ all the corrective action plan of non-conformities (both major and minor findings) raised during previous audit has been effectively implemented by the certified entities.

□ all Opportunity for Improvement (OFI's) raised has been implemented accordingly by the certified client.

□ Inadequate implementation of corrective action plans for non-conformities raised during previous audit.

Details on the previous non-conformity evaluation and verification is available in the Full Audit Assessment Report.
