4. SUMMARY OF AUDIT RESULTS

4.1 Lead Auditor's Summary and Recommendation for Certification

The Annual Surveillance Audit 4 for BAKALAYAN SDN BHD was conducted on 17 May 2024 as part of the Malaysian Sustainable Palm Oil (MSPO) certification process. The aim of this audit was to evaluate ongoing compliance with MSPO standards and to review the effectiveness of corrective actions taken since the last audit.

During the audit process, the auditor conducted extensive interviews with the management, members of the employees' union, and committees taking place in a formal and informal environment and interviews of employees were conducted. During the site inspection, it is seen on the sample of all sites in estate field condition not in a good condition, it was sighted that there is a blanket spraying activity had been conducted by the estate management. Also, it was verified by the audit team that there are no illegal workers in the site sample for this year. The audit team has confirmed that the permit documents and passports of the employees are still valid. The management was also found to constantly monitor established KPIs/objectives that significantly command the achievements of the company's corporate policy. Audit team members are satisfied with the documentation prepared by the estate management it was easy to look at and verify during the audit time, there is some lack of acknowledgement from estate management to send their estate spraying workers to do a medical surveillance.

During the audit, there were 2 minor non-conformities and 2 Opportunities for improvement has been raised. Since there are 2 minor non-conformities and 2 Opportunities for improvement, BAKALAYAN SDN BHD representatives have addressed a proper action plan to close the non-conformities to ensure their certification can be continued.

4.2 Claim - Verification and Use of Marks/Logo (MSPO, TCI or MPOCC Logo)

Based on the on-site audit process of BAKALAYAN SDN BHD, through visibility and interviews with management representative. The MSPO logo, which is a requirement for certification and a key element of demonstrating compliance with the Malaysian Sustainable Palm Oil (MSPO) standards, was not observed on-site. The management has also been informed that it is not allowed to use the MSPO logo if it is not approved by the MPOCC.
