4. SUMMARY OF AUDIT RESULTS

4.1 Lead Auditor's Summary and Recommendation for Certification

This on-site assessment was conducted on the **10 June 2024**. The audit program is included on the Audit Agenda. The approach to the audit was to treat the FIDELITY LAND SDN BHD as an MSPO Certification Unit. A range of environmental and social factors was covered. This includes consideration of photography, palm age, proximity to areas with HBV, declared conservation areas, and local communities.

During the audit process, the auditor conducted extensive interviews with the management, members of the employees' union, and committees taking place in a formal and informal environment and interviews of employees were conducted. During the site inspection, it is seen on the sample of all sites in excellent condition. In terms of best practices, estate management is in accordance with the SOPs set by the company and complies with the requirements of the MSPO. Also, there are no illegal workers in the site sample for this year. The audit team has confirmed that the permit documents and passports of the employees are still valid. The management was also found to constantly monitor established KPIs/objectives that significantly command the achievements of the company's corporate policy. Audit team members are satisfied with the documentation prepared by the estate management it was easy to look at and verify during the audit time.

During the audit, there were 2 opportunities for improvement raised. Since there were nil none conformity and only 2 opportunities for improvement, FIDELITY LAND SDN BHD certification is recommend to continue their certification.

The audit team conducts the audit based on the sampling process of the available information process of the available information.

4.2 Claim - Verification and Use of Marks/Logo (MSP0, TCI or MPOCC Logo)

Based on the on-site audit process of RE-CERTIFICATE (STAGE 2) FIDELITY LAND SDN BHD, through visibility and interviews with management representative. It has been confirmed that the management does not use Marks/logos. The management has also been informed that it is not allowed to use the MSP0 logo if it is not approved by the MPOCC.
