PART 2: SUMMARY OF THE REPORT AND SCOPE OF THE AUDIT

2.1 MSPO SCCS Summary Report

Summary report of the audit including a brief description of the scope of certification and supply chain model(s) used

Processing of Fresh Fruit Bunch into Sustainable CPO and PK with mill's processing capacity of 40mt per hour. The production of CPO and PK is only for local export. Through site inspection, 4 storages for CPO were sighted and 6 silo and 1 store for PK. Storage capacity for CPO is 5,900 mt and PK is 1062 mt. There was no external storage involved. The list of FFB supplier and buyer of CPO and PK was well maintained by the management. Verified during the audit with management, the mill is not using MSPO logo for any purposes.

The management has developed SOP of MSPO SCCS procedure for FGVPI KS Panching, effective on 07th January 2021. The management has appointed Mr. Ghazali bin Abdul Rahman as responsible person to monitor MSPO SCCS requirement.

Verified from the MSPO Trace system, the mill has declared their certified and non-certified FFB's supplier together with their potential buyers of CPO and PK. There is no transaction of delivery certified sustainable product yet for previous audit year. During the assessment, observed that there is no transaction for incoming and dispatch sustainable material.

The Mass Balance record is maintained by the weighbridge clerk and IPMS System (Integrated Palm Mill System). The incoming transaction and production of CPO and PK is recorded daily in the IPMS System. The mass balance is using Continuous Accounting System.

The record keeping period stated all the document related to MSPO SCCS should be kept for minimum 3 years. The verification is done through the last year procedure, management documents and supplier documents. The procedure of traceability is implemented by the mill. The incoming FFB provided together with delivery note and grading chit before allowed to enter to mill. The weighbridge ticket is provided with details information required has been stated.

From the surveillance audit, there is no non-conformity raised. The system of MSPO SCCS is in place. There is no transaction of certified product yet. The monthly declaration is submitted every month in MSPO Trace.
